**Re: Annual Lifeline Customer Recertification: FCC Form 555
 Docket No. 2014-43-C**

Dear Ms. Boyd:

Enclosed for filing on behalf of the South Carolina Telephone Coalition companies and affiliated eligible telecommunications carriers ("ETCs") (see attached list), please find a copy of FCC Form 555. Federal Communications Commission ("FCC") regulations require all ETCs to file FCC Form 555 on an annual basis with the FCC, the Administrator of the Universal Service Administrative Company ("USAC"), and the relevant state commission to report the results of their annual Lifeline Customer Recertifications. *See* 47 C.F.R. § 54.416.

While the FCC rules state that a copy of these results must be provided to the state commission, the Commission is not required or asked to take any action at this time. Therefore, we are providing these forms for information purposes only. We are also providing a copy to the Office of Regulatory Staff, as Administrator of the Lifeline program in South Carolina.

Thank you for your assistance. If you should have any questions, please do not hesitate to contact me.

Ms. Jocelyn Boyd
